2 Appendix A contains the names of officers belonging to ~~forming~~ the Civil Service. The fact that officers of the P. W. D, Forest, medical, and other Technical Departments, are omitted from the list is conclusive and significant. The officers of the Geological Department belong to a technical Department, and not to the Civil Service. It is therefore not desirable to add these names to Appendix A. Such an addition would incidentally accord a claim to the Gazetted officers of the other technical Departments to claim the same concession, and the result would be an enhanced pension for a shorter period of service which would ~~not~~ only re introduce the old rule of 6000 per annum as the maximum limit of pensions which has after due consideration been abrogated under the orders of His Highness. The pensionary charge would become ~~only~~ very heavy, and the measure therefore on general grounds also not acceptable.

3 As to the second request viz entry of Mr. Beckwith's name in Appendix I, under the circumstances represented there is no objection to his name being so included, but though it is seen in the file that this concession was promised, yet in the letter that went up to the Govt. of India leave was proposed to be given under M. S. R., and as European Service leave rules, are now a portion of our Regulations we can extend the benefits of this chapter to Mr. Beckwith without obtaining any further sanction of the Govt. of India if Govt. decline to accede to the request.

4) Appendix A was intended to contain the names of all officers who were already in service at the time when the rule about optional retirement after 25 years and maximum limit of Rs 6000/- was changed & were entitled to the benefit of the old rules.

5) As such Mr. Bocquet's name will have to be added to Appendix A.

6) Please state how the old rules would have operated on Mr Smeeth. If he was entitled to retire voluntarily after 25 years service on Rs 6000 p.a. under the old rules, his name should also be included in App A. Otherwise it will be a fresh point for the consideration of Govt.

7) Mr Beckwith's name will have to be included in App. I under the circumstances explained.

Submitted to His Highness.

According to the terms offered to Mr.Beckwith, Deputy Inspector of Mines, prior to his appointment, he is entitled to the benefits of Chapter XIV of the Mysore Service Regulations (Long leave to European and Indian Services); but in the order which was issued sanctioning his appointment, this concession has been inadvertently omitted. The State Geologist suggests that this omission may be now supplied.

Y

'Paper under disposal'

2. He also requests that his name and that of Mr. Bocquet, Inspector of Mines, may be included in Appendix of the Mysore Service Regulations extending the privilege of optional retirement after 25 years of qualifying service on a pension of Rs.6,000 per annum, and points out that this was one of the terms offered to Mr. Bocquet prior to his appointment. It will be invidious not to make a similar concession to Dr. Smeeth, when it is proposed to grant it to a subordinate officer of his.

3. The Financial Secretary is of opinion that all the proposals of the Geological Secretary may be sanctioned. Both the Councillors are also in favour of sanctioning them.

4. I, therefore, solicit sanction -

(i) to include Mr. Beckwith's name in Appendix I of the Mysore Service Regulations;

and (ii) to include the names of Dr. Smeeth and Mr.Bocque in Appendix A of the Mysore Service Regulations.

MYSORE

GEOLOGICAL DEPARTMENT.

TO THE DEWAN OF MYSORE

FOR SANCTION.

SUBJECT :—

Extension of certain privileges in regard to leave and pension to certain European officers of this Department.

I beg to submit for your sanction certain proposals in the matter of leave and pension of the officers of this Department.

(1) Leave.

The benefits of Chapter XIV of the Mysore Service Regulations (long leave) should be extended to Mr.L.H. Beckwith, Deputy Inspector of Mines (now Offg.Inspector of Mines). This was one of the terms offered to Mr. Beckwith when the post of Deputy

Inspector

G P H -200—5 10-07

Inspector of Mines was offered to him. It was communicated to the Dewan at the time and approved by him also, but it seems to have been overlooked in passing orders sanctioning Mr.Beckwith's appointment. I now request that the matter be formally sanctioned and Mr. Beckwith's name included in Appendix I to the Mysore Service Regulations.

(2) Pensions.

I find in the Mysore Service Regulations that some distinctions are made in the matter of qualifying service for a retiring pension and of the maximum amount of pension admissable. Certain classes of officers are permitted to retire on full pension after 25 years' service while others are required to put in 30 years. Similarly in the matter of pension a maximum of Rs.5000 per annum is fixed for certain officers while a maximum of Rs.6000 is fixed to others.

So far as this Department is concerned I find that a recommendation for a maximum pension of Rs.6000/- per annum

was

was made in favour of Mr.Bocquet, Inspector of Mines, and was also offered to him when offering the appointment (Vide my Memo* No.100, dated 24th April 1903, and also notes of Mr.Bocquet's interview with the Dewan, dated 23rd April 1903). No formal orders have been passed in the matter yet and Mr. Bocquet's name does not therefore find a place in Appendix A ~~of~~ to the Mysore Service Regulations. Sanction is now solicited to issue formal orders now in the case of Mr. Bocquet.

I would also beg that my name may be included among officers entitled to a maximum pension of Rs.6000/- with the privilege of voluntary retirement after 25 years' service.
